

IN MEMORY OF DANIEL DISALLE SR

Since 1992, Daniel DiSalle Sr & DiSalle Real Estate have been sponsoring this golf outing in the name of Hazel Stromme, a charismatic Realtor who had great determination & passion in the office and on the golf course. In the early months of 2014, DiSalle Real Estate lost our founder and patriarch, Daniel J. DiSalle, Sr.

Dan Sr.'s unwavering support has helped raise over \$250,000 for Hospice of Northwest Ohio over the past 27 years! Dan's dedication to Hospice of Northwest Ohio will never be forgotten. His family is thankful for the exceptional care he received in his final hours at the Hospice of Northwest Ohio's facility in South Toledo. Please help us make this event a wonderful tribute to his legacy.

IN SUPPORT OF HOSPICE OF NORTHWEST OHIO

The vision of Hospice of Northwest Ohio is to positively transform the way people view and experience the end of life. Celebrating over 39 years of service to the community, it is the only independent non-profit agency in the Toledo area solely dedicated to the care of terminally ill patients and their families. With unmatched expertise in pain and symptom

management, Hospice provides specialized medical and nursing care, plus spiritual and emotional support to patients. Receiving care in their homes, in nursing homes or at Hospice of Northwest Ohio's two free standing centers, patients can access hospice services when it is believed they have six months or less to live.

People of all ages— and with all types of end-stage diseases— benefit from the broad array of services provided to both them and their family members. Covered by Medicare, Medicaid and most commercial insurance plans, hospice care is both affordable and cost-effective. Hospice of Northwest Ohio is a community-based hospice, not affiliated with any other health care system, and turns no one away due to inability to pay.
